

CALL FOR PAPERS – DATA DRIVEN JOURNALISM TRACK

SPORTS, DATA, AND JOURNALISM OCTOBER 25, 2018 UNIVERSITY OF ZURICH

Please be invited to submit your data driven journalism projects to the **CRSA Conference on “Sports, Data, and Journalism”**, which will be held on **October 25, 2018** at the University of Zurich, Switzerland. The conference is open to all contributions that use **data science and analytical methods**, with a **specific focus on data driven journalism in sports**. Although we will focus on sports, more general contributions **on research, analysis and visualization methods** that are suitable for use in sports data journalism are also welcome.

Please make sure to state your **data, methods, and results** in your abstract (max. 600 words). Completed projects or work in progress is admissible. You are welcome to provide us with the web links (e.g., GitHub, Medium, Blog, Website, etc.) to your article/project. The conference will be held in English. Please make sure to submit your abstracts before **May 31, 2018** using the form on our website www.sportsdata.uzh.ch.

The abstracts will be reviewed based on the use of data science methods and their journalistic value. Candidates are welcome to apply for the **Best-Project-Award**.
