

CALL FOR PAPERS – ACADEMIC TRACK

SPORTS, DATA, AND JOURNALISM OCTOBER 25, 2018 UNIVERSITY OF ZURICH

Please be invited to submit a paper to the **CRSA Conference on “Sports, Data, and Journalism”**, which will be held on **October 25, 2018** at the **University of Zurich, Switzerland**. The conference is open to all contributions that use **data science methods** in the area of sports research. To ensure interdisciplinary knowledge exchange, we strongly encourage submissions from diverse fields (e.g., data science, econometrics, communication and media research, psychology, network analytics, information science, etc.). Research topics may include but are not limited to:

- Applied data science / analytics / econometrics in professional and/or leisure sports including eSports
- Measuring devices (e.g., mobile apps, smart appliances) and sports participation and/or health outcomes
- Media usage in sports (e.g., digital media)
- Fan behavior on social media
- Social Network Analysis in sports (e.g., agent-player networks, player networks, fan networks, organizational networks, etc.)
- Research on data driven journalism in the area of sports

Please make sure to state your **data, methods, and results** in your abstract (max. 600 words). Completed research or research in progress is admissible. Please note that manuscripts which are already accepted for publication cannot be submitted. The conference will be held in English. **Please make sure to submit your abstracts before May 31, 2018 using the form on our website www.sportsdata.uzh.ch.**

Graduate students and postdocs are strongly encouraged to submit their abstracts. **Junior researchers are welcome to apply for the Junior-Research-Paper award.**
